In the past few years we have seen more things falling into place for the fulfillment of scripture regarding the future than ever before. With the advent of the computer age it is now possible to list every person on earth on a computer with biographical information. I have heard that every person will be microchipped by 2017. There is much talk about a one world government and the world is looking for a man that will have the answers to the world's problems. The nations of the world are under consideration to be divided into 10 regions and a move is on to incorporate the nations in those regions together. Canada, the United States, and Mexico would be one region of the 10. The nations of the world are in economic chaos and world leaders are having meetings trying to determine how to resolve these problems. Nations are lining up against Israel and even our own nation is turning its back on Israel. **ARE YOU READY FOR THE RAPTURE???**

Thank you for the wonderful expressions of your love shown by your faithful support, the special Christmas gifts, and the many Christmas cards that you sent us. We had a wonderful Christmas with David's two sons, their wives, and our first great grandson being here. It was a delightful time together!

Thank you for your prayers for Verna. She has not had any more broken bones recently for which we are so thankful. I have an abscessed tooth that will be worked on next week and it may have spread to a second tooth. Also, our daughter-in-law, Denise, David's wife, who is such a great help to us, had an MRI for the swelling below the left knee joint which is causing much pain. She has a doctor's appointment regarding that so please keep us all in prayer.

Dear Beloved in Christ Jesus Name.

Holy and Warm Christian Greetings to you and your Family in the Name of Jesus Christ. By the Grace and Mercy of Our Lord Jesus Christ. I and my family have been doing God's work in this Tribal area (Mark-15:16)

First time we faced so many problems and troubles from Tribal area idols. Every day we used to pray to God Jesus about them. By the Grace of Lord Christ and through our Blessed prayers, we got the good change in their behavior after some years; Mainly I and santhi want to discuss about one far tribal village with you. This Village name is Sarugudu. It is located beside a river Godavari, and also located in the middle of a forest. All the village people belong to tribal caste. Who worships idols: this village has an Idol temple on the nearest hill. Frequently the village people go to the temple for worship and gives peace offerings ECT. All the village people never heard before the Word of God. One day we went to this village to conduct a gospel meeting there so many people but five women had attended to the meeting, when we had introduce our Lord Jesus Christ's Birth, death and resurrection their hearts were moved by Holy Ghost. Then the village women came to us and requested that "brother, we would like to learn more things about your God. so please teach us", immediately we began worship in this village under a tree. By the grace of God and trough our blessed prayers we have entered in to that place with spiritual songs and prayers. I gave a spiritual massage on the subject of why we have to worship our Lord? And Importance of the Church. (The Christian Basic lessons are very useful among the new Christians) (Hebrews-15-11)

I requesting you please pray for this village and here people. Please consider and pray for this area orphan and needy Children. They have been suffering from short of food and clothes and other basic needs. (Proverbs 22:9). If you able in Jesus name please do something for them what can you able. This is not my command only my Honorable request. (Jaames 1:27)

I and my family have been remembering about your family in our Regular prayers.

WISH YOU A HAPPY AND JOYFUL CHRISTMAS 2013.

God Bless Lots,
Yours in Christ Jesus
