Dear Ones in Christ,

We recently received word that we have three great grandchildren on the way to be born in August, the Lord willing. That will be a wonderful anniversary gift for Verna and me as we will be celebrating our 60th wedding anniversary August 1st.

Please continue to remember Verna in prayer because she has had much increased pain due to changes in the weather. Please also pray for Denise, our daughter in love, who had knee surgery the 11th and will have to learn to live with pain in it.

Wanda Barker informed me that they sent out another mailing of mail bags to India this past Saturday and will be working toward another mailing in a few weeks.

This past year the Lord has continued to bless your investment in our ministry by helping us reach many with the gospel. We have had an estimated 152 saved through our ministry outreach but have been informed that each one we hear from represents 10 that were saved that we did not hear from so only eternity will reveal the full results and fruit to your account by your faithful help. We also send out gospel tracts, New Testaments, and Bible correspondence courses which aid saints and ministries overseas to give out the Good News which we have been informed brought 1,052 to the Lord as Savior this past year and we continue to receive reports of others being saved. Thus, your ministry through helping us has brought forth much fruit to your account! To our Lord is due all the glory for He has done Great Things!

About 31 years ago we had to take a medical leave to place Verna under doctor's care in Denver, Colorado. Our Missions Director, Dr. Carl Boonstra, had me take over the missions department at Baptist Bible College West during that time. I had the joy of teaching a number of students all three years of the missions course. As I recall, three of the students went to the mission field. One of them was Greg Lyons. We continue to have a small part in his ministry which the Lord has blessed in amazing ways. According to his latest report 70, 241 individuals made professions of faith under his ministry this past year. It is exciting to "Watch God Work" and to have a small part in what He is doing!
