On March the 17th Verna broke two more vertebrae. She said she had felt a twinge in two places of her back but did not think it was a problem until the pain set in. Then on March 28th another vertebra broke which caused additional pain from which she is beginning to recover. Thus she now has 12 broken vertebrae. She has been doing better until this recent problem. Your prayers are so greatly appreciated and needed!

On March 15th Wanda Barker sent out another mailing of packets with New Testaments, gospel tracts and Christian literature along with mail bags filled with larger quantities of the same and clothes to India. The total cost was \$916.99. People in India are delighted to get these materials to share with others. In the past one man wrote about passing out tracts in a school which nearly caused a riot with children climbing over each other to get some. So many are hungry for the truth and you are having a part in helping us give them the word of God! The Lord has provided more funds and Wanda and her team will be sending out another mailing this next Saturday.

Brother Jim Curtis, our web master, recently loaded a list of Joe Griggs' poems on our website. If you click on the blue tab on the opening page of our website which is bbfibobgriggs.com, it will take you to the opening page of the poems. Click on the red library tab and it will take you to 119 poems that are listed but you can only download those that are underlined. Brother Jim is working on loading the others that are listed. We thank the Lord for Brother Jim and all he and Peggy, his wife, do to help us. Also, we would appreciate your praying for Brother Joe Griggs who is presently in a nursing home recovering from some broken bones. Pray also for his wife, Ruth, who is visiting him daily. Joe is my double cousin (his dad and my dad were brothers and they married sisters).

One other prayer request is for someone to help my daughter, Rebecca, with grading the Bible correspondence courses. It is a way a person can personally help people overseas learn the word of God. You can contact me through our field address on our letter head. Thank you again for your prayers and faithful support!

Dear Esteemed in God Mrs. LUCY ST JOHN,

Holy Greetings to you from my Ministry here.

I have received your kind reply. I thank you so much for it. I awaited your letter, at last it came to me I praise God for it.

By the grace of God and His spirits leading all my evangelism is going on well. I have been getting good results, responses and witnessing from my TRACTS & BIBLES Distribution. God is mightily using me for the populating the WORD.

SINCE YEARS, I HAVE BEEN CONDUCTING 4 PASTOR'S FELLOWSHIPS AT FOUR REGIONSHERE, They are also interested to do the correspondence course. You have asked me. to do the correspondence course. I am reading the material you are sending tome. I am translating the material into Telugu and making it one hundred copies which I am giving to one hundred pastors to read and follow the corresponding material. These pastors of my fellowship do not know English as they are less educated and working in rural areas only. So, I am helping the pastors on this way. I want to improve their wisdom of God through the corresponding material which you are sending to me. Kindly pray for the grasping knowledge and better comprehension of the word by the pastors.

I am so fervently praying for Reverend Verna . She shall certainly have the healing of God and be better soon with all strength. God shall certainly give His ear to our imploring prayers for her, the blessed and woman of God.

You, who have been prevailing His gospel and helping many pastors in the world shall have crown of glory for your reward. I am every day praying to God for you. Kindly pray for financial needs and help. In the name of all majesty and Almighty God Johavah I pray that my Ministry shall always reap a great harvest of new souls in India. I once again thank you for enlisting me as a pastor under you. I am so happy and praying for your Radio and Television programme.
