It is a joy to be home again but "Oh what a delightful time we had in Israel"! In our last letter I explained about the 60<sup>th</sup> anniversary gift Verna gave to me which was a trip to Israel and the Lord enabled my daughter to go with me since I am working on my 79 year and beginning to need some assistance. It was the first time in 35 years that Rebecca and I have been alone together and we had a fantastic time studying God's word and enjoying catching up on the past. We laughed and I even shed a few tears rejoicing in the amazing blessings of the Lord on our lives.

For me one of the high lights of the trip was praying at the "Wailing Wall" which the Jews now call the "Western Wall". We were looking over a barrier down into the area where the men go to pray at the wall and I was told I could go down and pray there also. The men have to have their heads covered and I was wearing the only straw western hat in the bunch. Thus, I went boldly down with the others and put my hand on the wall. As I prayed to my Lord Jesus Christ I felt the presence of the Lord so very very real that I almost wept. In my prayer I told the Lord that I was looking forward to the time when He, the Lord Jesus Christ, would rule and reign from Jerusalem over the entire earth. As I finished my prayer I became aware of a Jewish man next to me listening to my prayer. I did not say anything to him nor he to me but I trust that the witness about King Jesus will give him something to think about! As you probably know there is a new movement that states that God is through with Israel replacing her with the church but if they would study God's word they would realize God is by no means through with Israel. We are living in the times of the Gentiles but that period is coming to a close and we are moving toward the Rapture, the Tribulation and the Second Coming of Christ with His millennial reign of 1,000 years when the world will envy Israel because our Lord will rule over the earth from there and we believers in our glorified bodies will help him rule during that glorious time! (Revelation 20:4-6 along with other scriptures indicate this truth!).

The last of the 5,000 Bible correspondence lessons are being graded and will soon be sent with additional lessons and Bibles to those who have earned them. Also, sister Wanda Barker will be sending out another mailing Saturday and sister McCaw will be sending out funds from the Orphanage Fund to 17 orphanages in India this month. I will give you our report on those items next month along with additional Bible lessons sent out. Thank you for making this ministry possible through your prayers and giving!

In Christian Love,

How Great Thou Art!

23 April 2014

Dear Rev. Dr. Bob Griggs,

I thank you very much for the P. Bagful of Christian literature that you sent me for our ministry. I praise our Lord Jesus Christ for the large amount of money you have spent on the postal charge. I also pray for you Assistants who have helped you to pack and carry them to the post office. From the bottom of my hearts, I thank you very much. I continue to pray for you and your ministries. I am using these precious

literature prayerfully. My should reach the ~~sp~~ right place and right persons. The David C. Cook Bible Lessons Commentaries will be added to the Masonatha Library, where I teach English to the two classes, the ~~First~~ First Year and II Year students. As you know this is a women's Bible School. Young girls from our state study here for two years. This year there was one student from Sri Lanka. At times, we have students from other states and at one time, a graduate from Andaman Islands.

2.  
Over the years, I used to have enough supply of English Bibles from your country. But since the postal hikes in U.S. all the churches have stopped sending me by posts, not even the Daily Devotions and other booklets from some Radio Broadcasts. In the past two years, I manage to buy good news Bibles and give them to ~~going~~ in Year girls. I give them small dictionaries too. (English to Tamil). I teach Spoken English, using the English Bible as the Text book.

~~But~~ Over the years, thanks to people and churches like you, the Library there was equipped with scores of Study Bibles and a whole collection of Matthew Henry Bible Commentary. The Library was set on fire by some enemies of might and most precious Bibles and Commentaries were burnt. The Police just looked the other way - to-day I kept a few booklets in a Computer Centre, where a women's college; there ~~the~~ people come to browse, print, Xerox etc. I sent a small parcel to an idea for has ministry. I continue to use them prayerfully. I carry some in my travel bag

3.

You sent me scores of old tracts, most of them, printed in 1950's. They are of immense help to me. I use them in my TV messages. You know, I give 15 min. message in the Christian Cable TV here, it reaches most of the places in our district and some more area in the neighboring district. They are trying to make it satellite. I continue to give Tamil Bible free, to those, who are poor. I make an offer at the end of each broadcast. Sometimes, I offer the books, I receive from you. By His grace, the ministry goes on.

When Mary comes, I will be 70. By His grace, the Lord has been my Greek Physician, He heals me and He is the strength of my life. I am healed by His love ~~to~~ my wife Susi and I return from U.S.A., nearly 2 months ago. Our two boys are selfless leaders, we enjoyed Christmas and Thanks-giving. We are allowed 6 months, every other year. Our boys contribute to my Salem ministry. Again next week Rev. Gresham and I go there; this time we will visit our VBS center and see the bare walls are drilled in the mountains. We have bitter experiences.

4.

Our missionaries are abused by other agencies, one particular leader, bonded those of our people, giving money and even ordained them (again) as their new missionaries, in best sponsoring forms. It is Election time. Too many hate speeches, promises in form of words. I wish the Ruling Congress will come again. But it looks otherwise.

It is very hot. May should be the hottest month, the temperature touching 104° and 105°, maybe above. This year also, our state is hit by severe drought, the monsoons failed again.

I pray for you. May our Lord Jesus Christ bless you.

Sincerely,  
S. Nelson,
