*Presenting the Gospel to Colorado's Native Americans and
Taking heaven's promises of hope and peace where missionaries cannot.*

August - September, 2014

Dear Ones in Christ,

download: bbfibobgriggs.com/1408.pdf

Thank you so very much for the great anniversary cards you sent to help us celebrate wedding anniversary! All of our four children were here with their wives and our 60th husband plus most of our grandchildren. Two of our grandchildren could not be here because our oldest grandson's wife gave birth to twins on July 15th granddaughter is expected to deliver any day.

We had to move my bed out of our room so that on August first we could all crowd into the room to eat our anniversary meal and celebrate together. Verna had to remain in bed so ate at a TV table next to her. We skyped our oldest grandson and were able to see the twins for the first time. That was a high light plus our children and family gave Verna and me a wonderful published book containing pictures of our past and all of our present family. We were shocked and delighted. We live in an amazing age when so many pictures of our children, grandchildren, and great grandson plus the wedding pictures of Verna and me can all be made into an amazing beautifully bound book. We all had a fantastic time and it was the first time all our family had been together since our 50th together again every year which we think would be a wonderful idea!

Sister Wanda Barker and her mail team sent more mail bags to India costing \$654.50. They will be sending out another mailing in a few days. The Neuberger's sent mailings with your help to Asia and Africa of 598 Bible correspondence lessons and 61 Bibles costing \$749.81. Each of the 61 persons receiving a complete new Bible earned it by taking all four of the Bible correspondence courses which took them over a year to complete. More fruit to your account! It is such a joy to labor with you in sending forth God's word!

Please pray with us for someone to take over the Bible correspondence ministry. Brother and Sister Neuberger will have to give it up at the end of this year. They have been a wonderful blessing and have done a great job with the ministry but both have health problems requiring this change.

I am cutting back to sending prayer letters every two months. Our bodies are more like Ecclesiastes 12 as we grow older and I must slowdown in order to be able to continue the ministry. Thank you for understanding and co-laboring with us!

In Christian Love,

Bob and Verna

**A TRIBUTE TO MY PRECIOUS WIFE
ON OUR 60TH WEDDING ANNIVERSARY!!**

Sweetheart, I begin with gratitude and thanks to you for being such a wonderful, loyal, faithful, helpful, and thoughtful wife. In my eyes, you have been a very good mother to our children. You have had much wisdom in guiding and instructing them as they were growing up in our home. I believe you will be greatly rewarded in heaven for the many ways you have blessed, enriched, counseled, and given of yourself for each of us. You wonderfully fulfill the wife spoken of in Proverbs 31:10-31. As I read it again last night I saw many of the characteristics mentioned lived out in your life. I believe our children would agree for they know how you got up before any of us when we were living in Kailua, Hawaii on Palawiki and Mokapu Blvd. You prepared breakfast for us before we left at 5:30 AM. in order to take them to a Christian school in Honolulu and a year or so later to one in Waipahu.

There is no doubt in my mind but that you are God's answer to my prayers as a teenager when I was praying for the girl that I would marry before I ever met you. I am sure the Lord had our lives together in mind when He healed you of TB the night before the surgery you were scheduled to have the next day in the TB Sanatorium. As Philippians 1:6 states "Being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ." I have certainly seen this proven true in your life over and over again.

You are a very godly person and have enriched, blessed, counseled, encouraged, and helped me in so many ways. I am so thankful for your sweet spirit despite the pain and suffering your body endures daily caused by Lupus, Osteoporosis, and Barrett's Disease. I am looking forward to seeing you in your glorified body when all pain and suffering will be passed.

I am so thankful for your deep love for the Lord and your faithful reading of His word. I not only love you but deeply admire you for your faithfully spending time each day reading and meditating on God's word. I know that you have read the Bible through over 50 times. I do not know of anyone else who has accomplished such a feat. You are truly a great testimony and example to all our family! We are so proud of you and thankful for you!!

Thank you for the four wonderful children you gave birth to, taught, instructed in good manners, and godly conduct. As a result we now have four happily married children with children of their own resulting in our having 11 grandchildren and 4 great grandchildren. Most of whom now know the Lord Jesus Christ as their Savior and we will have the joy of spending eternity together, Praise the name of our Great God!! It all began with you and the great example you set before them. Even now in your pain you have such a wonderful attitude and spirit that people phone you for counseling, to be encouraged, and for prayer.

Thank you for the wonderful wife, companion, help meet, sweetheart, and friend you have been to me. I am richly blessed to be married to you!

With All My Love,
You're Loving Husband of 60 years
