*Presenting the Gospel to Colorado's Native Americans and
Taking heaven's promises of hope and peace where missionaries cannot.*

Dear Ones in Christ,

We are living in exciting days that are fulfilling the "perilous times" of II Timothy 3:1-14. The outlook of this evil world is dark but the up look gets brighter every day. Despite the advances of evil we see God's grace abounding through the media of Radio and Television sending forth the glorious gospel of deliverance from the bondage and control of sin and Satan!

Through the contact made through this little broadcast working with LAMP ministries, (Landmark Missions Project) there are now 68 churches in Malawi and Mozambique. Each church has a lay pastor and 17 missionaries supervising and aiding them.

I have 120 more broadcasts ready to be sent to Trans Word Radio at their request which will be used on their network to send out the gospel. I have recently sent 30 more broadcasts, which we pay for, to the short wave station from which they are broadcast to Asia, Africa, and Australia.

Utes

This past year an estimated 174 were saved through the broadcast but we are told that each one we hear from represents 10 we did not hear from so only eternity will reveal the true results. Also, we have assisted other ministries where thousands have been saved. All more fruit to your account and we could not do this without your faithful prayers and support!

Since our previous report Brother and Sister Neuburger sent out more Bible correspondence courses to a teacher in Nigeria who is using the course in his class room to teach the students the word of God. Also, Sister Wanda Barker sent mail bags to India costing \$918.30 with New Testaments, gospel tracts, etc. Thank you for making this possible.

Please continue to pray for Verna. Since our last letter she had three more vertebra break in her neck causing excruciating pain. If you reach back and feel the vertebra in back of your neck, one protrudes more than the others. That is the one that broke and one on each side of that one also broke. Just the very movement of the neck is very painful. Thank you for your faithful prayers and support!

Dear Dr. Gregg,
Warm seasons greetings to you in the precious name of our Lord and Saviour Jesus Christ.

I want to thank you most sincerely for the help you rendered to me at the beginning of this year through gospel materials you sent to me for distribution among members of the Christian student Fellowship of the secondary school where I work as a teacher. I am very grateful to you for this May the Lord bless and enrich you more abundantly!

I could not use the mailbox club material: The New Life in Christ, as it is expected of me due to the fact that the lessons were not complete. Therefore, as a matter of feedback, please, find enclosed ~~three~~ of the course materials undertaken by three of my students. Please do not be dismayed by the fact this is coming so late. I have to be patient with them to complete it.

As a result, I want to continue to use the remaining materials for the rest of the other students. Therefore, may I request for additional supply of the following lessons of course 1 of The New Life in Christ:

Lessons 1-2-19

Lessons 3-4-09
Lessons 5-6-05
Lessons 7-8-06
Lessons 9-10-05
Lessons 11-12-06

With this additional materials, I shall be able to administer the course on additional 20 students. This will surely go a long way to drawing them to faith and salvation in the finished work of the Lord Jesus Christ on the cross of Calvary for them.

On personal note, my family is doing very well in the Lord. We are giving Him our best in the task He has pleased to assign to us in His vineyard. As I discussed with you in my e-mail message to you some time ago, the Lord has opened the door of opportunity for me to begin my doctoral study (D.Min.) with Bible University through its online program. I register for the program in September this year and I hope to complete it God willing, by the end of August next year. I earnestly desire your prayers in this decision for wisdom and sound mind and good health.

I look forward to hearing from you very soon, once again, seasons greetings to you and yours in Jesus' name.

Yours in Christ,
Adeleayo
