Dear Ones in Christ,

Today, May 11<sup>th</sup>, 61 years ago our house blew away in a tornado with my Mother in it. She said she landed like a feather with only a scratch and small bruise, Praise the Lord! We have had many exciting experiences in our life since receiving the Lord Jesus Christ as our Savior and we are now facing another adventure in faith!

David and his family, who moved here four and a half years ago to help us, informed us that they have been praying for some time about our moving to the Austin, Texas area because Rachel, their daughter, is ready to enter high school.

There are two classic Christian high schools there and they believe it is the Lord's will to place her in one of those schools. Our daughter in love, Denise, has home schooled Rachel since they moved here. Also, David is 56 and needing to start planning toward retirement. We would sell our house here and help them purchase a house there. Since we cannot live by ourselves because of Verna's health needs, we would have to move with them. I contacted our mission's director, Brother Konnerup, and he understands our situation.

Pastor McCaw and the saints here who help us, have agreed to continue the mail bag mailings, the Bible correspondence course ministry, the orphanage support ministry, and serving as a clearing house for the funds mailed to the church for these projects for a year to give us time to get moved and find a church in the Austin area that would be willing to assist us with these ministries. We would need a church that would give us a room to use for these ministries and Christian saints who would be willing to assist with each of these projects. Yes, this is another adventure in faith!

Our Lord continues to bless and use our "Bread Of Life Broadcast" as I mentioned previously that through a contact made through our broadcast and working with Landmark Missions Projects there are now 68 churches in Malawi and Mozambique. Each church has a lay pastor and 17 missionaries supervising and aiding them. This all began through the Lord using our broadcast to His glory!

Pueblo

Brother and Sister Gary Hoselton have taken over the mailing ministry with Wanda Barker's help and another mailing is on the way to Asia and Africa. Also I have another 150 messages to send to Trans World Radio to be used on other stations which they have requested to help spread the gospel. Fruit to Your Account! Thank you for your faithful prayers and support!

In Christian Love

Thank You Very Very Much!!!
