Today, July 4th, 61 years ago in 1953, I first met Verna. I was working at a Walgreens Drug Store in San Angelo, Texas. Verna had been allowed to return to Gonzales, Texas to celebrate her 16th Birthday with her mother and family. They had stopped by the Drug Store and I saw them as they came in. I had never seen Verna before yet she looked familiar. I spoke to her and asked if she was from the TB Sanatorium where our youth group held services. She said she was and explained about their trip. Little did I know that she was the one I had been praying that the Lord would bring into my life to marry at His appointed time. I will explain more about our next meeting another time. However, August 1st we will be celebrating our 61st wedding anniversary, Praise the Lord!!

Several weeks have passed since I started this letter because we have been packing, and disposing of many items we have collected during the last 29 years since returning from Hawaii. David and family left Saturday, (18th) taking most of our items we are keeping to Austin, Texas to store so they can locate a house to rent.

The Lord has shown His blessings on this move in so many ways that I do not have room enough to share. One amazing answer to prayer was our Lord's providing the funds to rent a Motor coach to take Verna to Texas leaving here on Monday, July 27th. Where God guides, He provides abundantly!!

Brother and Sister Gary Hoselton who have taken over the mailing ministry have sent out two more mailings of mail bags and packets to Asia and Africa costing \$2,020.66 . Also, they will be sending out another mailing this coming week.

I have sent 593 messages to Trans World Radio to be used on other stations which they have requested to help spread the gospel. Also, I have made up broadcasts to cover the time we will be moving and setting up another broadcast studio. Fruit to Your Account! Thank you for your faithful prayers and support!

Dear brethren in Christ,

Grace and peace be multiplied to you all your concerned In the name of our soon coming king, Lord and Savior Jesus Christ.

Having gone through our prayers I felt so glad in Christ. I never ashamed to approaching God's people like you.

I have been working for the God's glory "The Sheaf and Grace Ministries" non profitable organization For the glory of God and as well as upliftment of the humanity in Odisha state and Andhra Pradesh where the extremists hit Christian communities, They lost everything in that atrocities by extremists. Even their young wives and daughters brutally raped, abuse and sexual trafficking to the brothel houses too. Where the Christianity is totally demolished by the anti Christian mobs. The Christians are tortured brutally, So the Lord gave me vision to work among those people. So I am travelling to that place and doing His ministry to save Christianity in that place, but even then we are facing several problems. After this plight, We worship together in cottages there, till the extremists will burnt it into ashes, as by now many Christian houses, Churches were burnt in to ashes so please pray for these Christian communities in this area.

60 Pastors working voluntarily with me under my leadership. They need badly training Theology in their regional language for young girls and boys then only rapidly proclaim the Gospel in this crushed land and establish the Christianity there. They need Holy Bibles in their regional Language and they cannot follow on line services for any communication and Bible reading or follow-up any Theology they have not such a position to observe.

Therefore, you are requested to kindly provide training in theology or supply printed material in their mother tongue, Holy Bibles in their own Language. Pastors need some allowances; It is the need of the hour to save the Christian communities there in the most distress.

We conduct orphan Children home in Andhra Pradesh and as well as Odisha who had lost their parents in that Riots they are leave their fate The Sheaf and Grace Ministry found them, collect them Feed them and give education make the tomorrow's leaders today with Christian discipline fields.

Now this time the school are reopened to the children, in both places (Andhra and Odisha) our orphan children and children of oppressed classes. in the congregation Because of the utter poverty, their parents can't buy school bags, uniforms, shoes /chapples, books and stationary for their school going children. Hence Be kind enough to pray for those orphan children and poor children in the congregation and try to support the holy cause, as the Almighty permit you

Please pray for them, we establish Christianity and to edifying our Master's kingdom there in Odisha. I sincerely Hope that you will value this humble appeal through your quick response. Kindly uphold our ministry in your regular prayers So that we are working diligently in this heathen land. We wish the very best for you, and would love to continue to hear from you.

May the Lord richly bless you and use you as a beacon of light to those around you.

Look forward to your early reply.

Yours in His Services,

Pastor. G. D. Milongton Babu
