How wonderful our Lord is to us in every way! Over and again He proves Proverbs 3:5-6, my life's verses, to be true. Thank you so very much for your expressions of love helping me celebrate my 80<sup>th</sup> birthday. My kids here made it a 3 day celebration which amazed me! Verna and I are so richly blessed despite her health problems. She had another crack in a vertebra in her neck which has caused much pain. Also, the 7<sup>th</sup> was a very hard day for her with terrible pain. Your prayers mean so much to us! The next day she was greatly improved. I am so thankful to continue to have her with me and be able to serve the Lord together!

When we were home on furlough in 1978 living in San Angelo, Texas, three of our children were attending a Christian school at Baptist Temple and I first met Brother Rick Brann who is now the pastor of Victory Baptist Church of Cedar Park, Texas. He has graciously offered to allow us to continue our overseas mailing ministry from the church. The Outreach Pastor David Richardson has consented to head up the ministry for us and Brother John Varner is setting up an account for funds sent in to Victory Baptist Church designated for the mailing ministry. The address is Victory Baptist Church, 1775 E. Whitestone Blvd., Cedar Park, Texas 78613. It is exciting to "Watch God Work" and direct His ministry! If you saints have any Bibles, New Testaments, Christian literature or gospel tracts you would like to help send overseas, please send them to this address for Griggs Mailing Ministry. Even if any of the materials are used it will be received with joy overseas. So many overseas are hungry for these materials which American Christian have in such abundance.

We Praise the Lord for Pine River Valley Baptist Church in Ignacio, Colorado who are continuing to help with the mailing ministry while we are getting the ministry set up here. Brother and Sister Gary Hoselton have sent out two more mailings costing \$1,726.90 to Asia and Africa for which we are so thankful!

Also Brother and Sister Neuburger sent out more Bible correspondence courses to Africa and Asia to saints there who want to grow in their knowledge of God's word. All this is fruit to your account for helping make this ministry possible! Only eternity will reveal the full results to the glory of the Lord!

Dear beloved Brother in Christ!

I hope this letter finds you well, along with family friends and members of your eminent organization "Bread of Life Radio Ministry & The Mail Box Club". We greet you all in the name of our soon coming King Lord and Saviour Jesus Christ.

As you know to do gospel work in India is a herculean task, which can be lessened by your prayers and by your share. Every day the Satan is creating troubles but victory is ours. Many non-Christians in India destroying our properties like, last week we went to nearby village for conducting street preaching along with some elders of church to distribute the gospels and tracts.

This is bring to your holy notice that Bro. Santosh Kumar Bhoj who is Lord's servant of Karnataka village (Oshala) when he was spreading gospel at that open weekly market, an extremist woman named us, but our pastor did his job by distributing the Gospel tracts and booklets, the extremists attacked against the pastor with long iron rod beaten Pastor's hand was broken. The extremists ran away from that place.

By knowing the issue, the Pastor's mother immediately shocked and fell down by the heart stroke. Now the pastor is getting treatment in the private hospital at Korpura.

Please remember him in your daily prayers and both Pastor and his mother early recovery to get the hospital bill too. If God leads your heart help them to get glory to God. I am sure God will use you as a channel to help them early recovery and she may witness for the Lord to edify His Kingdom. Your urgent prayers may rescue from these incidents. I cannot write more than this.

Thank you so much I pray blessings and prosperity upon you. God loves you, your family and so do us. Please continue to pray for us we will be praying for you. Remember Jesus is Lord and "In all you getting get understanding".

We are praying for you, your eminent organization "Bread of Life Radio Ministry & The Mail Box Club" your family welfare and your dear ones for your services and for all your endeavors. Please continue to pray for our Pastor. Children in orphan home, New Life Center where converted and distressed women are living both Oshala and Andhra Pradesh. Please encourage us with your regular prayers in way of any kind.

my orphanage and ministry. I have  
established 5 congregations in different  
places, all the people who belonged to  
ministry are very poor and they cannot  
give a big offering. I don't have  
any support from any foreign group.

This letter sent a newspaper article showing thousands by  
the river Godavira in India worshipping the river even as  
Israel turned from the LORD to worship the sun and moon.  
This is a part of the Hindu religion that has many gods.  
So many millions are blinded by sin and Satan (Rev. 12:9).  
How richly blessed we are to know the True Eternal God thru  
the Lord Jesus Christ (John 14:6) We must share the Truth  
with the untold millions!!

## PRAISE THE LORD

Dear beloved Spiritual Parents

Bob and verna Griggs

Greeting to you in the name of our Lord and Savior Jesus Christ by the grace  
of God we are safe and we hope that you are also safe.

Thank you so much for your Love that humble us to get some materials for  
the purpose of the ministry. We have received cloths, books, gospel tracks, beautiful  
photos, C.Ds and others we are so happy because of your Love and affection for  
us.

I would like to share regarding our place. We are living near to river side. Our  
Church believers are mostly non- educated and that are going for agriculture work  
for daily wages. So Literature which you said for us - we are reading and enclosing  
to our church believer in our mother Language.

By the grace of God I have blessed with three children, Two sons and one  
daughter. They are studying in college, Lot of fees I have to pay for then studying.  
Then thought my desire that they have study well and do God's ministry <sup>pray</sup>  
for them.

Regarding our area, It is dominated by Hindus; those who worship Idols and  
creation even they worship river called Godavari. There is a festival for then for  
twelve years once it comes. So this year nearly four course people worshiped river  
festival name called "Pushakaralu" So pray for our state Andhra Pradesh. It is if  
God's will come to India share the gospel through crusades.

Pray for our ministry such as Evangelism, Sunday School ministry, youth and  
Annual crusades, Track distribution pray for sick and etc. We are waiting for your's  
Lovingly replay
