Dear Ones in Christ,

Please continue to pray for Verna's health. She has been losing weight from 133 to 115 and is having much pain in her esophagus and stomach. The doctor suggested putting her under Hospice care which I did May 5th. We have increased her pain medication. The Apostle Paul had an experience related in II Corinthians 12 which I believe occurred when he was stoned at Lystra (Acts 14:19) when he went into the third heaven and saw things to wonderful to relate but afterward he stated that he would rather depart and be with Christ which is far better! Verna told me that at Christmas the Lord told her she would not be here next Christmas. Your prayers for both of us would really be appreciated.

In the 1950's when attending Baptist Bible College we had a professor named Dr. John Ross who taught us about a song "Channels Only". He told us that we are simply channels through which God works to accomplish His will. We have seen this proved true in our lives many times. Our burden for missions was to go to India or China but the Lord closed the door to those countries because of Verna having TB and the only open door presented was Hawaii where we labored for 23 years. While there another Baptist missionary invited me to share with him in a 15 minute radio broadcast that would reach all the islands of Hawaii. He took three days and I took two days. I was familiar with radio ministry since at 9 or 10 years of age I began singing on my dad's radio ministries. When the other missionary decided to drop his part of the broadcasts, I took over all the broadcast until the Lord moved us out of the Islands but while there, Missionary Bob Knudson took a trip to Guam and invited me to go with him which I did. One of the men he went to see was working with a local radio station under Trans World Radio who was setting up three 100,000 watt short wave radio antenna that would reach Asia, Africa, and Australia. I asked about the possibility of getting a 15 minute broadcast on that outreach and again the Lord opened the door. That was over 50 years ago and the Lord continues to use us over that International Ministry. Today our desire to reach India and China with the gospel has been fulfilled by the hand of the Lord with souls being saved in both places through the broadcast! Recently Pastor David Richardson's mailing team sent out packets and mail bag costing \$1,780.00 to Asia and Africa. Also the Newburgers sent out more Bible Correspondence Courses to the same areas.
