**Dear Ones in Christ,**

**We have so much to be thankful for this year as we look back at all the rich blessings of the Lord upon our ministry in which you precious saints have helped make possible by your faithful prayers and support. This is certainly the Lord's ministry because I have not been able to go on deputation to raise funds for the ministry since 1996. I am amazed how our Lord continues to burden hearts of saints like you to faithfully assist us and we are so thankful for your prayers and support! To God be the Glory!!**

**Thank you for the birthday cards to help me celebrate my 82<sup>nd</sup> birthday. I had the joy of having all my children come in to surprise me and my sons went to church with me while my daughter stayed home with Verna. I am so richly blessed!**

**Hospice has released Verna from their care because she has gained some weight which is a wonderful blessing! Thank you so much for your faithful prayers for her health. We will be going under Home Health Care again so we will have an aid to help Verna with her baths. Verna continues to have much pain so your continued prayers are so appreciated!**

**The Lord again sent in funds for the orphanage ministry from two unexpected sources which was a rich blessing to many children. One of the orphanages sent word that they are caring for 46 orphans and 30 widows. India does not have any welfare system so these orphanages look to the Lord as their source of supply. We were able to send \$145.00 to 15 orphanages and \$200.00 that was designated for 3 orphanages. Sister Jolene McCaw graciously consented to contact and send the funds from Pine River Valley Baptist Church in Ignacio, Colorado for us. We appreciate so much all who made this possible.**

**Sister Cunningham at Victory Baptist Church in Cedar Park, Texas sent out another mailing in October and is working on a large mailing presently that will be sent out soon. Also the Hoselton's have informed me that they will be sending out another mailing when they finish helping with a couple of moving projects they are involved with.**

**We trust that each of you have a Blessed Christmas with your family and friends. So many precious saints in this world are undergoing persecution this Christmas and we here in America are so richly blessed!**
