Dear Ones in Christ,

Thank you so very much for the beautiful Christmas cards and the special gifts of love that many of you sent us for Christmas. We appreciate your love and faithful help so much! **Please read the attached note about Verna's falls and broken bones.** Your prayers are vital!

November 17, 2017 Margie Cunningham who heads up the mailing team of Victory Baptist Church in Cedar Park, Texas, sent 8 Packets to India and Nigeria costing \$200.00. She also sent out boxes of tracts, study books for pastors, and Christian literature costing \$454.75. Please remember her husband, Jeff, in prayer. He has been very ill and is under Doctor's care.

December 5th the Hosleton's sent 10 mail bags and 10 packets of New Testaments, tracts, Bible Correspondence Courses, Clothes and Christian Literature to Asia (India) and Africa (Nigeria) which cost \$2,158.25. Pine River Valley Baptist Church of Ignacio, Colorado which is pastored by Rev. David McCaw has given us a mail room to store and prepare for mailing these materials for many years, Praise the Lord!

Rev. and Mrs. Richard Baldwin who have taken over the Bible Correspondence Course ministry sent out 37 new Bibles as rewards to these students in Nigeria who have completed 4 of our Bible Correspondence Courses and are now starting on course number five. I had to order another 100 new Bibles because we have more that have completed courses 1-4 and are waiting for their reward. We also have requests for 326 new courses from an Elementary School in Nigeria.

How very much we appreciate Brother and Sister Joe Neuburger who took care of the Bible Correspondence Course ministry for over 10 years. They sent out thousands of courses during that time and only eternity will reveal the full results.

Of course none of this would be possible with out your faithful help supporting the broadcast and the additional outreach ministries the Lord has given us. I am continually amazed how our Lord has taken our little and used it to His glory, Praise His Wonderful Name!! To God be the glory for great things He has done and graciously allowed us to have a small part in what He is doing! What a joy to be a child of God and available to watch Him work in and through our lives to His glory by the power of the indwelling Holy Spirit! **We praise the Lord for all the souls saved, saints being grounded in the word and the numerous churches started as a result of the broadcast with the help of so many others including you saints who faithfully support our ministry!**

EXTRA PRAYER PLEASE!

Sunday night December 10th Verna and I heard a snap in her back which resulted in two broken vertebra in the Lumbar region of her back below the T12 which was the first vertebra to break in 2008. Five x-rays of her back revealed these two breaks which has sent much pain down her right hip that weakened the use of that leg and caused 3 falls resulting in several broken ribs on her right side. Thus she is confined to bed and unable to walk. She has had intense pain despite increased pain medication. Today, January 2nd, an x-ray revealed her right hip has a stress fracture which is one of the reasons it is so weak. We are now going to put her back on hospice for pain management.

We really need your prayers for us at this time please!!

**In Christian Love,
Bob & Verna**
