Navajo

Thank you so very much for the Birthday cards to celebrate Verna's 81<sup>st</sup> birthday! She received cards from 7 different states as well as from family and although she was confined to bed she was able to be with our two older children to help us celebrate. She was born in San Antonio, Texas, June 29, 1937 in her parent's home with a doctor helping to deliver her. She has been told several times by doctors that she was dying but we know our times are in the Lord's hands and I am so thankful to still be able to enjoy her presence and minister to her needs. She has been such a blessing to my life, our 4 children, 11 grandchildren and 8 great grandchildren. Although Verna is under the care of Hospice, on Morphine and other pain medication, as I write this my heart is filled to overflowing concerning the wonderful love and benefits that our amazing Heavenly Father, our Lord Jesus Christ, and the precious Holy Spirit have poured forth upon Verna and me all the days of our lives. This past week the Hospice nurse plans to get oxygen for her because her oxygen is low and she is struggling physically. Your prayers are vital.

August 1<sup>st</sup> will be our 64<sup>th</sup> wedding anniversary yet it seems such a short time ago when we were married at the Bethel Baptist Church in San Angelo, Texas with my Dad performing the ceremony. In that time we have had the joy of serving the Lord for 23 years in Hawaii, 30 years with the Navajo and Utes in New Mexico and Colorado plus over 50 years to Asia, Africa, and Australia via Trans World Radio sharing the gospel to any who would listen. It seems we have done so little yet our Lord has richly blessed with many precious souls being saved, churches established, and many being grounded in the word of God with the help of so many saints that have labored with us through physical labor doing mailings, prayers and faithful support! I marvel at how our Lord has taken our limitations and has blessed and used it to His glory!

Utes

Please pray for Rev. & Mrs. Richard Baldwin. I was recently informed that Bro. Richard is now going into Stage 3 of Parkinson's disease with Frontal lobe Dementia. He had to be placed in an Assisted Living facility and may be moved into a Memory Care Facility as the problem gets worse. PLEASE UPHOLD BRO. RICHARD, RUTH AND THE FAMILY IN PRAYER! They also mailed out more Bible Correspondence courses to India recently and Ruth says she wants to continue with the Bible correspondence course ministry!

Margie Cunningham and the mailing team sent our two more mailings to India last month costing \$1,245.60 sending gospel tracts, New Testaments, Bible courses and Christian literature to the many who delight in giving forth the gospel in India. More fruit to your account!! Thank you for your faithful prayers and support making this ministry possible!!
