Thank you so very much for the Anniversary cards to help Verna and me celebrate our 64th wedding anniversary! We marvel and rejoice in all the amazing blessings and benefits the Lord has blessed us with these last 64 years. Yes, we have had severe trials and difficulties during that time but our Lord has always been faithful to strengthen and sustain us through each trial. His amazing grace is always sufficient and His strength is made perfect through our weaknesses. I am so thankful Verna has stabilized presently because I sure thought she was going home to glory and I got everything ready if this was the time but our times are in the Lord's hands and I may leave for heaven before she departs! Only our loving Lord knows what is best and so my life's verses once again I claim (Proverbs 3:5-6). However, I want to thank you for your prayers! Our Lord has given her more time with me again and again due to your faithful prayers! Thank you so very much!! We did not have to place her on oxygen at this time, Praise the Lord! She is slowly regaining strength but has not returned to eating solid foods thus far.

Brother and Sister Hoselton sent out another mail bag mailing to India August 6th costing \$1,662.13. They sent out 8 mail bags and the most expensive 2 mail bags cost \$315.00 each to mail but each weighted over 40 pounds of New Testaments, Gospel Tracts etc. I was not sure if we would have sufficient funds to cover the cost so I prayed about it and our Lord wonderfully sent in \$1,000.00 from an unexpected source in answer to prayer to add to the balance we had for mailings at Pine River Valley Baptist Church in Ignacio, Colorado! How wonderful to be able to cast our care on our loving Heavenly Father and "Watch Him Work"

Our Radio account at Victory Baptist Church in Cedar Park ran into trouble due to some bills coming in late so I have had Sister Cunningham hold off on a mailing until we could get the account built up again. She just informed me that she has sent out another mailing the last day of August costing \$871.00 to India and on September 4th she sent out another mailing costing \$472.50. We continue receiving letters from those we send to informing us of their distributing the materials to eager recipients. We in the United States have so much Christian literature etc. available that we often take it for granted and even throw much away. Our wonderful Lord has so richly blessed our nation because of the salt and light (Matthew 5:13-16) scattered around our country. However as the salt loses its savor and the light becomes dim we are seeing sin become far more prominent than ever before in our nation! How important that we who know and have the truth be faithful to stay true to the word and faithful in prayer!!
