

Bread of Life Broadcast

bbfibobgriggs.com

Trans World Radio Guam Island, Pacific

-4- 100,000 watt transmitters

Half of the world's population lives within range of the TWR shortwave transmitters located on the tiny island of Guam over which our "Bread of Life Broadcast" goes out to untold millions!

The nations listed are just some of the countries we've received letters from; fruit to your account and to the Glory of our Eternal God.
